From

Deputy Commissioner

To L. Anantasami Rao Esquire,
Secretary to the Government of Mysore
Muzrai Department

Sir,

I have the honor to state that one Gudi Subbaroya of Challakere has presented a petition requesting that the 2 mantaps built by him near Sri Anjaneyaswami temple at Challakere may be taken over by Government in the Muzrai department for the benefit of the temple which is under Government management as per Order No 594-5/Muz 28-94 dated 17/19th December 1894. It is reported that these 2 mantaps are built at a cost of Rs 175-14-0 and Rs 235-0-0 respectively, that they are in good order, and that the rent likely to be derived from them may be fixed at not less than Rs 20 per annum.

The petitioner Gudi Subbaroya through whose exertions, it is reported, the Sri Anjaneyaswami Temple and these mantaps have been built, represents that he is getting very old & that as he

has no issue to look after the up-keep of the buildings, they may be taken under Government management, and proposes that the annual income of Rs 30/- maybe utilized as follows for the benefit of the Sri Anjaneya Swami Temple

15-00 for Nandadipam
10-00 for Madhwa Navami
5-00 for petty repairs & other contingent expenses
30-00

The expenditure required for the puja and other services in the temple is at present being met from the funds set apart by the late Mr Gundappa for the benefit of the Institutions built by him as per Government Order No 2 5945/Misc 28-94 dated 17/12-12-1894, and if the petitioner's prayer is sanctioned, there will be an additional source of income amounting to Rs 30- This amount, the petitioner has been recovering now and utilizing for the temple. What is now required is to credit the rent collected, to the Treasury first, and then to draw whenever necessary, on bills for the temple as proposed, and I solicit the sanction of Government to the above proposals being brought into force.

ending with report No 331 dated 27th April 1907 is herewith submitted for reference.
